The California Community College Chancellor's Office approved a federal vocational education grant for the committee of Fire Academy Directors. The purpose of the grant is to address the major issues identified in previous projects addressing homeland defense and the community college role in this effort. The Fire Technology Directors Association is hosting a one day workshop:

June 29th, 2005

The Holiday Inn

5321 Date Avenue, Sacramento, California

Attendees will return with information useful to your facility in terms of:

Homeland Security Funding Homeland Security Courseware Templates for Emergency Operation Planning

Paid travel and per diem expenses will be covered by the grant for one person from each of the 71 community college districts. Other community college attendees, who pay their own travel expenses, will be allowed to participate at no extra charge! Please provide by **May 31, 2005** the name and contact of the person attending from your district to:
