

Regarding: CFTDA Meeting November 12-13 in San Francisco.

Dear Colleagues;

The next CFTDA Meeting will be held November 12-13, 2009 in San Francisco. A tentative agenda and map is attached. **If you have items for the Agenda send them to me ASAP. If you plan to attend please let me know by November 8th.**

Received the following information from Jim Conner Director, City College of San Francisco Fire Technology Program regarding accommodations and itinerary for the meeting. **Thanks Jim!**

Attached (below) is the map location of the San Francisco Fire Department Division of Training at 19th and Folsom Sts. Entrance to the training site is off 19th St.. Parking just inside the gate (on the left) is for the members of Station 7 next door to the Division of Training. Visitor parking in the training yard is at the far end of the property, behind the portable classrooms, against the brick wall area.

We are meeting in the Main Classroom and there will be a sign welcoming CFTDA members and guests.

On Thursday, November 12th, at approximately 0845, Chief of the San Francisco Fire Department Joanne Hayes-White will visit to welcome the CFTDA and say a few words.

On Thursday, November 12th "or" Friday, November 13th at approximately 0900, Dr. Don Griffin, Chancellor of the San Francisco Community College District, is scheduled to stop by and welcome everyone, and probably share all of our common issues of severe budget conditions and the efforts of trying to survive.

We have the Main Classroom reserved all day Thursday and until noon on Friday.

Regarding hotel accommodations, I am not going to try and get rooms at any one location. There are some fantastic deals right now through internet sites, such as travelzoo.com, and AAA has excellent member discount rates that they advertised in their Sept./Oct. 2009 magazine. A Mapquest, or similar, from a hotel anywhere in the City to "19th and Folsom and/or 2300 Folsom, San Francisco, 94110" will give detailed instructions on how to get to the SFFD Division of Training.

Regarding meals, there are some inexpensive Mexican restaurants just down the street, and some other good spots nearby that I can let folks know about on Thursday for lunch. Dinner on Thursday evening will be at Izzy's Steak House on Steiner St., between Lombard and Chestnut Sts. I don't have a time yet, as I'll wait until we get a little closer and have a better idea of numbers **(PLEASE CONFIRM ATTENDANCE with Dan Coffman by 11\8)** This is a great steak house in the City, reasonably priced w/excellent food. On Thursday and Friday morning, coffee, juice, and pastries will be provided.

While general business will be conducted the first day, we will dedicate the afternoon to doing committee work and resume regular business on Friday. **2010 CFTDA Officers will be**

elected at this meeting, if you have an interest in running for any of the positions, please let me know and come prepared to nominate yourself.

Future CFTDA Meetings: The first meeting in 2010 will be held at the Firehouse Expo in San Diego which runs from February 28 – March 4, 2010. **Marty could you make arrangements prior to our meeting in San Francisco?**

Should you have any questions or need to contact me please do so at dancoffman@aol.com.

My Best Regards,
Dan Coffman, President
California Fire Technology Director's Association
